

# KRAMADHATI NAGA PRANEETHA

+91 95509 27515 | kpraneetha22@gmail.com | LinkedIn | GitHub | Hive

## SUMMARY

Computer Science undergraduate with hands-on experience in Java, Data Structures, ServiceNow, and web development. Selected among the **top 100 students across India** for the **ServiceNow CSA & CAD Cohort Program**. Strong problem-solving abilities with a proven aptitude for learning enterprise platforms, automation, and emerging technologies. Aspires to contribute effectively in a consulting-driven, technology-focused environment.

## TECHNICAL SKILLS

**Programming Languages:** Java, Python, SQL

**Web Technologies:** HTML, CSS

**Core Concepts:** Data Structures & Algorithms, Object-Oriented Programming (OOP)

**Enterprise Platforms:** ServiceNow (CSA & CAD)

**Tools:** VS Code, Eclipse

**Soft Skills:** Team Collaboration, Adaptability, Analytical Thinking

## PROJECTS

### LearnHub – Study App Website

*Tech Stack: HTML, CSS, JavaScript*

- Developed a responsive educational web platform to support structured learning and content sharing
- Designed intuitive user interfaces to improve accessibility and user engagement
- Implemented modular frontend components, strengthening problem-solving and UI design skills

### Jarvis – AI Voice Assistant

*Tech Stack: Python, OpenAI API*

- Built a Python-based AI voice assistant that performs voice-triggered task automation such as web navigation, weather retrieval, and AI-driven responses using API integrations.
- Integrated OpenAI API to generate contextual responses and execute user commands

## CERTIFICATIONS

- Java Foundation – Infosys Springboard
- Data Structures and Algorithms – Smart Interviews
- Oracle Cloud Infrastructure – Oracle

## EDUCATION

### B.Tech – Computer Science Engineering

Ravindra College of Engineering for Women, Kurnool

2022 – 2026 | **CGPA: 8.5**

**Intermediate** – Narayana Junior College, Kurnool

2020 – 2022 | **84%**

**SSC** – Montessori E.M High School, Kurnool

2019 – 2020 | **99%**
